## BEETHOVEN

### HEADBOARDS & BEDS

The Beethoven storage bed is designed to maximise storage capacity.

With two lift mechanisms the storage area can easily be accessed from all four sides.

The high quality engineering suits many mattress weights and the gas piston system makes it easy to lift. Beethoven sits on a beautiful show-wood plinth and is compatible with many of our headboard ranges.

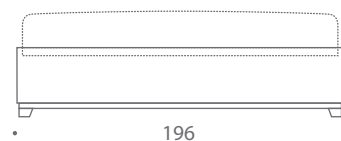

mattress  
190 x 90

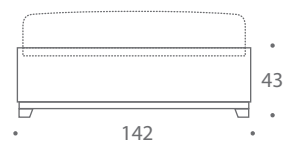

SINGLE 01

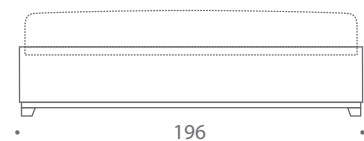

mattress  
190 x 120
