DINING CHAIRS & BENCHES

The Byron dining range includes a carver chair, dining chair and a bench that is versatile in its use; in conjunction with the chairs as a complete set, or as a standalone item. Byron with its contemporary shape is a popular choice. From the solid beech wood frame to the durable show wood finish, only the finest materials are used in its construction. It is therefore equally suitable for both domestic and commercial settings.

The Byron is also available as a bar stool.
